

Health Checkup Card ()

Tel:

Name	
Birth date	(Month) (Date) (Year) Age:
Address	〒
Phone	
Emergency contact	Person Relationship Phone
Underlying illness, any condition to be noted	

- Before you leave home, please take your temperature and circle the answer that apply in the check list on the next page.
- If you are a minor, after circling in the all fields, ask your parent to place a seal or sign if he/she agrees with your participating in the class.
- If you have a fever of 37.0°C or higher or any symptom included in the check list, you are not allowed to visit Kodokan.
- If you are a small child, school or university student, any school in your area closes classes or takes particular hygiene measures, you are not allowed to visit Kodokan.
- In the case that you are infected or suspected of being infected with COVID-19, please contact us right away for advice.

If you have symptoms listed below or the statement applies to you, please circle "Yes." If not, circle "No."

No.
